Circular : Reg. Vector Borne Diseases and Conjunctivitis

Dated: 8th August, 2023

Dear Parent,

You are hereby informed:

1. Due to spurt in Conjunctivitis cases if your ward shows any symptoms of Eye Flu such as redness, watery eyes, secretion and irritation in eyes it is advised that you do not send your ward to school until all the symptoms have subsided.
2. You may also kindly ensure that your ward wears full sleeves to safeguard against the Vector Borne Diseases.
3. If your ward complains about stomach ache, fever, nausea etc. it is requested not to send her/him to the school.

This is in the best interest of the students.

Best Regards
